

From time to time Amici Cantate welcomes new members.

If you have a passion for making music and would like to sing with a diverse and friendly choir, read on.....

Amici Cantate is a vibrant choir, well-known for its eclectic repertoire spanning musical genres, from early music, through classical choral works, to contemporary and African music. Originally formed to allow parents and friends to support Cantate Youth Choir, by raising funds and joining together in concerts and performances, Amici is now a well known choir in its own right. Amici still has the objective of supporting Cantate but has also widened its objectives to supporting other local charities and music-making opportunities in the local community.

Our Musical Director John Tripp is well known in Hertfordshire as a baritone soloist, chorister, pianist and performer, and has directed a number of groups including Imperial College Operatic Society, Imperial Opera, Ware Operatic Society, the Morgan Stanley Singers, most recently establishing a new choir in Docklands: The Canary Wharf Choir.

Choir members range from the highly musical to the deeply enthusiastic! Rehearsals are held regularly on Saturday mornings in Bishop's Stortford (with occasional weekday evenings). With 3 to 4 concerts a year and regular tours (Venice, Lake Garda, St Andrews, Santiago de Compostela and Bruges have been venues over recent years) the emphasis is on **quality, fun and commitment**.

This is a Choir run *by* the members, *for* the members. All members contribute to the smooth running of our events and, of course, there are regular social events too!

If you think this sounds like the choir for you, call Joss (07742191636) for details of our next FUN SING on Saturday 3rd Feb 2018
You could be just what we're looking for!
